

## **Thomas P. Sterry M.D.**

1080 5<sup>th</sup> Avenue, #1B

New York, NY 10128

(212) 249-4020

drsterry@drsterry.com

### Appointments

**Assistant Clinical Professor**, Division of Plastic Surgery, Department of Surgery, Mount Sinai Medical Center, New York, N.Y.

### Board Certification

#### **American Board of Plastic Surgery**

Certificate Number 6477.

Awarded September 14, 2002.

Continuous Certification December 1, 2012.

Continuous Certification December 1, 2022

### Surgical Training

#### **Plastic Surgery Residency, 1998-2001**

Mount Sinai–NYU Medical Center, New York.

A three year training program with extensive experience in microsurgery, breast reconstruction, trauma, and burn care. The curriculum includes rotations at Mt. Sinai Medical Center, Westchester Medical Center (level 1 trauma & burn unit), Elmhurst Hospital Center (level 1 trauma), and the Bronx Veterans Affairs Hospital.

#### **General Surgery Residency, 1995-1998**

Mount Sinai Medical Center, New York.

An excellent general surgery experience including rotations in breast, burn, head and neck, trauma, organ transplantation, and advanced laparoscopy.

### Medical Licensure

#### **New York State licensed** since 1997

License Number 206224-1

#### **Florida State licensed** since 2022

License Number ME 155778

### Professional Societies

**New York State Society of Plastic Surgeons** –President 2019-2020

**New York Regional Society of Plastic Surgeons** – President 2020-2022

**New York County Medical Society** – President 2023-2024

**Medical Society of The State of New York** – Delegate 2018 to Present

**American Society of Plastic Surgeons** – Full Member since 2003

**American College of Surgeons** - Fellow

### Education

**Medical Doctor with Distinction in Research**, May 1995

Stony Brook University, School of Medicine

**Master of Science** in Exercise Physiology, September 1988

Queens College of the City University of New York

**Bachelor of Arts** in Liberal Arts, May 1987

Stony Brook University

### Academic Contributions

#### **Invited Lecture**

“What Patients Want Now: Facial Contouring and a “Snatched” Jawline”

Presented at the Annual Meeting of The New York Regional Society of Plastic Surgeons,  
November 20, 2021.

“Devices: The Good, The Bad, The Ugly” Shopping For Your Practice

Presented at Plastic Surgery The Meeting, October 27, 2022

“Devices: The Good, The Bad, The Ugly” Shopping For Your Practice

Presented at Plastic Surgery The Meeting, October 27, 2022

“HR Incentives, Facility, Staffing. How to Attract and Keep the Dream Team”

Panel Moderator at Plastic Surgery The Meeting, October 26, 2023

“The Business of Plastic Surgery” Speaker and Moderator of Panel

Presented at Plastic Surgery The Meeting, September 26, 2024

“No Surprises Act 2024” Presented

Presented at Plastic Surgery The Meeting, September 26, 2024

#### **Basic Science Publication**

Chun, J.K., ***Sterry, T.P.***, Zhang, W.X., Wolfeld, M.B., Silver, L., Teodorescu, V.J., Marin, M.L. Rat epigastric flow-through flap as a modulated arteriovenous fistula: model for the radial artery flow-through flap in distal arterial bypass. J Reconstr Microsurg. 2003 Aug; 19(6):387-91.

#### **Basic Science Abstracts**

Geller E, Maitra S, Colden D, ***Sterry T***, Pan M. Hypertonic saline resuscitation

fails to restore hepatic gluconeogenesis following hemorrhagic shock. Presented at the 16th Annual Conference on Shock, sponsored by the Shock Society, Santa Fe, New Mexico, June 13-16, 1993.

Meijernik J, Derzie A, **Sterry T**, Molina P, Abumrad N Endogenous Morphine Response to Surgical Stress; Contribution of Fasting. Presented in abstract form at Experimental Biology 1995.

## Book Chapters

**Thomas P. Sterry, M.D.**, Justin Sacks, MD Plastic surgery in the excessive weight loss patient. In Inabnet, W.B., DeMaria, E.J., Ikramuddin, S. (Eds.), *Laparoscopic Bariatric Surgery* Lippincott Williams & Wilkins Philadelphia, 2003.

**Thomas P. Sterry, M.D.** Body contouring for patients with excessive weight loss. In Taub, P.J., Koch, R.M. (Eds), *Clinical Problem Solving in Plastic Surgery*, McGraw Hill, 2009.

## Case Reports

Jin K. Chun M.D., **Thomas P. Sterry M.D.**, Michael Marin M.D., Radial Artery Flow-through Flap for Very Distal Arterial Bypass in Limb Salvage. Accepted as poster presentation at the American Society for Reconstructive Microsurgery annual meeting in San Diego, California, January 15, 2001.

J.K. Chun M.D., **T.P. Sterry M.D.** Latissimus Dorsi Musculocutaneous flap based on the serratus branch with microvascular venous augmentation. *The Journal of Reconstructive Microsurgery*, 2001 Feb;17(2):95-8.

J.K. Chun M.D., **T.P. Sterry M.D.**, S. Margoles M.D., L. Silver M.D. Salvage of Ear Replantation using the Temporoparietal Fascia Flap. *Annals of Plastic Surgery*; 2000 44(4):435-439.

## Basic Science Presentations

**T. Sterry M.D.** W. Zhang M.D., J. Chun M.D., L. Silver M.D. Modulating Free Epigastric Flow Through Flap for Improved Bypass Patency: A Model for Distal Limb Ischemia. **Second prize winner** presented at Residents Night, New York Academy of Medicine, March 12, 2001.

Jin Chun, M.D., **Thomas P. Sterry, M.D.**, Victoria Teodorescu, Michael L. Marin Radial Forearm Flow-Through Flap for Very Distal Arterial Bypass in Limb Salvage. Presented at the American Society of Plastic Surgery meeting, November 4th, 2001. Orlando, Florida.
